Risk Reward Limited has partnered with the Institute of Internal Auditors (IIA) to offer the training course to prepare for the Certified Internal Auditor® (CIA®) exam. This programme combines the leadership of an experienced practitioner with the print and web-based materials of the IIA’s CIA Learning System® to expand your internal audit knowledge and skills and prepare you for the CIA exam.

Established in 1941, the IIA is an international professional association with more than 175,000 members worldwide. Members work in internal audit, risk management, governance, internal control, information technology audit, education, and security. The IIA is the internal audit profession’s global voice, recognized authority, acknowledged leader, chief advocate, and principal educator.

Expand your internal audit knowledge and prepare for the CIA exam

The CIA is the only globally accepted designation for internal auditors. It is the standard by which internal audit professionals demonstrate their knowledge and competence in the areas of governance, risk, and control.

There is no better way to prepare for the CIA exam than with Risk Reward financial internal auditors/trainers. This course combines expert classroom instruction with the IIA’s CIA Learning System print and online study components.

Is the CIA Right for You?

Earning the CIA designation is an important accomplishment and professional advantage for internal auditors during all stages of their careers including:

- Chief audit executives
- Audit directors
- Audit managers and staff
- Risk management staff
- Business, finance and accounting students.

Certified Financial Services Auditor® (CFSA®)

Risk Reward provides training services to the CFSA qualification, a highly valued speciality certification for audit professionals working in a wide range of financial institutions i.e.:
- Banking institutions
- Thrift/savings and loan organizations
- Credit unions
- Insurance companies
- Security and commodity services
- Holding and investment companies
- Credit agencies
- Financial services regulatory agencies

If your goal is to continue to grow as a financial services audit professional and demonstrate the breadth of your financial services knowledge, training to the CFSA designation is for you.

The CFSA goes beyond merely fulfilling a much needed training requirement as it also provides those who pass the exam with a globally recognised certification as specialists in the internal audit of financial institutions.

Once the CFSA designation is obtained it signals to both current and prospective employers that not only is the holder capable of providing greater value-added in the performance of audit assignments but that they are also capable of applying a significant amount of commitment and professional discipline to their work.

Our team of over 750 expert trainers, with an average of 25 years of practical and relevant industry experience – train to the risk-based approach, audit effectiveness, understanding financial products and services and how to develop audit programmes under the BIS guidelines.

The course is specifically designed to provide candidates for the CFSA exams with comprehensive preparation that is strictly in accordance with the core programme for Domains I – IV and will cover:

I. Financial Services Auditing
II. Auditing Financial Services Products
III. Auditing Financial Service Processes
IV. The Regulatory Environment

In addition to the core programme the Banking specialisation is offered to enable candidates to complete the full requirements for the CFSA certification.

IIA Accredited Courses:
Certified Financial Services Auditor® (CFSA®) exam.

The price per delegate is £4450 for the 10 day programme (+ UK VAT where applicable).
Please budget £100 for the Certified Financial Services Auditor (CFSA®) Study Guide.
